

This document contains the general Park Policies and is geared toward **private rentals** (directly through the Annual Lease Holder). It excludes the Campsite Policies and Campsite Reservation Policies. If you are renting through **Ocean Lakes Properties**, please review their policies in addition to those below.

RE: Car Passes for Private rentals and Annual Lease Site Guests – we strongly recommend downloading the **Express Check-In Form** at www.OceanLakes.com under “Quick Links > Forms/Registration.”

Campground Policy Highlights

We continue to monitor our guests' comments and contemplate ways to improve their experience at Ocean Lakes. **Sadly, the biggest complaint we continue to receive is about the BEHAVIOR OF OTHER guests. Please remember “young eyes” are watching and listening.** Many guests have heralded the policy modifications and we have seen guest behavior, and thus guest experiences, improve. We value your feedback and hope you have a great vacation.

Golf Car Penalties

Rental Golf Cars:

First Offense: \$100 fine to be paid immediately at the Golf Car Rental Office and the golf car is immediately taken away until the fine is paid. A possible loss of privilege to rent or operate a golf car by any guest on the same site during that visit may result.

Second Offense: \$100 fine and the loss of privilege to rent or operate a golf car for the remainder of the guests' stay.

Privately Owned - Campsite Rental Guests' Golf Cars:

First Offense: \$100 fine which must be paid immediately at the Main Office.

Second Offense: \$100 fine and the loss of privilege to operate a golf car in the campground. The golf car must be placed back on the camping/rental guests trailer or into the Golf Car Storage area.

Annual Lease Site Holder Golf Cars:

First Offense: \$100 fine will be levied against the Annual Lease Site and documentation recorded in the site's file.

Second Offense: \$100 fine will be levied against the ALS and documentation recorded in the Site's file. The second offense will result in the loss of privilege to have a golf car on the campground for one year. The golf car must be removed from the campground or placed into the Golf Car Storage area.

Additional Offenses: If violations occur after the second offense, the lease could be in jeopardy.

The Golf Car is a huge part of the culture at Ocean Lakes Family Campground. We want everyone to enjoy their time and experience in Ocean Lakes, but the policies and rules are in place to help promote the safety of our guests and our teammates. Our ultimate objective is to make Ocean Lakes Family Campground the most safe and enjoyable family-oriented vacation destination that it can possibly be.

Driver must be at least 16 years old and have a VALID driver's license in their possession to operate a golf car in Ocean Lakes (also SC State Law). You must be 21 years old to sign a rental contract. Any underage driver on a golf car without a licensed driver gets the ticket written in their name, but if a licensed driver is on the golf car we will write the ticket to the adult for "allowing an underage driver on a golf car." If the ticket is written to the adult, understand that the underage driver's name will still be noted on the ticket for the incident report, but the name of the person receiving the ticket will be the name of the adult.

Please Note: Our policies do permit a child to have their hands on the wheel while sitting in the lap of a licensed driver, but the licensed driver MUST have their hands ON THE WHEEL at all times. Our posted signage/policy states: "The licensed driver must be in complete control of the golf car at all times." This includes sitting in the driver's seat and the operation of the foot pedals with hand(s) on the steering wheel. If an officer witnesses otherwise, a violation will be issued with a fine because then it is considered an underage driver violation. The licensed driver must be in control with hands on the wheel. The child CANNOT be seated behind the wheel with the licensed driver beside them, that is a violation because the licensed driver is not in full control of the golf car. This specific rule is addressed in writing/pictures/signage to the guest that registers/rents the golf car. It is the responsibility of that guest to make additional drivers aware of our policies.

Golf Car Rules for Everyone (continued)

- Privately owned golf cars must be registered and have a valid registration sticker attached to the driver's side of the front of the car. - Pets MUST be on a leash at all times.
- Leashes must not exceed 6 feet in length.

- Please visit our Recreation Office or our website for Horry County laws about having pets on the beach.

Pet waste is more than gross - it is detrimental to our environment and humans.

Pet pollution is carried by storm water runoff that contributes to high bacteria levels in our waterways and beaches after it rains. There are a lot of good pet parents out there who do the right thing, and we appreciate it! We had to alter our tactics to get the attention of those who refuse to clean up after their pet.
